Help me to see me

The way you see me

Sometimes I see pain Lord

When you see victory

I see where I am Lord

You see where I shall be

Open my eyes, help me believe

I am what you see

You see me victorious

You see me faithful

You see me believing

That you are able

You see me rejoicing

That I have survived

Open my eyes help me believe

I am what you see.

I am healed

I am free

I am what you see

I am what you see

I am what you see

I am what you see

Open my eyes help me believe

I am what you see
